

Two weeks to Patriots Week 2025, and we wanted to make sure that you've all heard the exciting news:

**We're all going to have a Patriots Week Visitors Center this year!**

The elegant lobby at 1 West State Street (the Corner Historic!) will serve as a “Central Greeting Area” for Patriots Week visitors and partners alike throughout the week. In addition to providing information and directions, some featured elements will include an information area (where you can display your organization’s brochures, postcards, flyers), a children’s area where the Trenton City Museum at Ellarslie will be hosting Colonial-era arts activities, a screening area where visitors can watch part of Ken Burns’ *American Revolution* documentary, and more. We’re also excited to have interpreters from Trenton’s First Rhode Island regiment joining us in uniform all week at the Visitors Center.

**How you can help:**

Sign up to help staff the Visitors Center (particularly on Monday, Tuesday, Wednesday)\*\*

*Here’s a chance to “meet the neighbors,” showcase all that you love about Trenton and its amazing history, hang out with fellow history-lovers, be part of the action. We are asking for minimum commitment of 3 hours. Bring a friend. Volunteers will receive lanyards and T-shirts. You can either email me your availability or – better still – indicate when you can help on this Google doc*
