

Advocate for the Restoration of The H.U.B

Please attend the Mercer County Youth Services Commission meeting on Thursday, April 16 at 2:30 pm to advocate for restoring the [Restorative and Transformation Justice Hub](#) in Trenton.

The Commission meeting will be held at **209 S Broad, 4th floor learning center.**

The practices and programs offered by The HUB provided for genuine repair of harm, helping youth, families, and communities navigate the justice system and have a chance to thrive.

The closure of The HUB was not due to a lack of impact, engagement, or community need. In fact, the work demonstrated strong outcomes and deep community connection. The closure was the result of broader structural and administrative challenges, such as funding constraints and implementation barriers.

The HUB showed what's possible when restorative practices are resourced and trusted with this model. We can't allow such a truly effective program to be shut down.

Show your commitment to racial justice by attending the April 16 meeting and raising your voice in support of restoring The HUB.
